OUR STORY

The story of Lynden all began in 2012, when an equipment rental venture was established by salem hosni, who all had a vision of building the best-selling heavy equipment rental company in united arab emirates. Steps to achieve that goal were taken and a highlight in our history was in 2012 when mr. Salem negotiated a deal with several equipment manufacturing companies which included CAT, JCB, TADANO, XCMG, KOMASTU etc.

ABOUT LYNDEN

Lynden Heavy Machine and Equipment Renting was founded in the UAE in the early 2012 by Salim Abdulla Salem Hassan Al-Hosani and since then has grown to become one of the largest plant, equipment and transportation rental companies in the United Arab Emirates. With 2 operational bases, covering the Abu Dhabi and Dubai we have a fleet of over 300 items of plants and Machines Lynden's product range is built upon our successful complete plant hire solution model approach, satisfying all equipment rental requirements across multiple industries.

OUR FLEETS

We maintain a stock of low-hour machines available for rent. All of the units have been carefully inspected and prepared before being delivered to the customer. We have our services available 24 hours. In all 7 days in a week, covering entire UAE respectively.
